Sir:

Applicant submits the attached Request to correct inventorship in the instant application.

REQUEST

Claim Status

Claims 1, 2, and 4 have been allowed and will issue on April 27, 2010.

Claims 3 and 5-31 were previously cancelled without prejudice.

Discussion

Due to the cancellation of claims during prosecution of the application, fewer than all of the currently named inventors are the actual inventors of the allowed claims that are scheduled to issue on April 27, 2010.

The named inventors Edwin Sarver and James Richard Marous should be deleted from the allowed claimed invention. These named inventor's invention is no longer being claimed in the nonprovisional application. The named inventor Cynthia Roberts is the correct sole inventor of the allowed claimed invention.

Conclusion

Applicant hereby authorizes the Office to charge the fee set forth in 37 CFR 1.17(i) to the deposit account of the undersigned firm of attorneys, Deposit Account 50-1546.
